

## Competitors Survey 2021

We are delighted to launch our Competitors Survey 2021. We will use the findings, as well as consultations with the Counties, to help inform our decisions for 2022.

We would love to hear from existing national competition players; lapsed national competition players; and those who have never entered a national competition but might consider it in the future; in order to explore how we can grow participation and develop the National Finals experience.

The deadline for completion of the survey is **Sunday 29th August at 5pm**.

You can take the survey, which should take 10-15 minutes, by [clicking here](#).
